The Best Camper Conversions

MAKING YOUR DREAMS A REALITY. A family-run business building campervan custom conversions - based on love, attention to detail, choice and quality. We're one of the leading suppliers of VW conversions in the Midlands, and our customers come from all over the UK.

We undertake many conversions every year to create the finest luxury camper vans, giving our customers the opportunity to explore all over the UK and Europe in style!

Focused on attention to detail

We leave no stone unturned in our quest for camper van conversion perfection!

Made with love

We do what we love, and we love what we do! While camper vans are our work life, they're also a big part of our personal life too - we regularly go on trips in our own VW camper van and so we're always thinking of ways to improve camper van styling, design, functionality and practicality.

Creative choices

We don't want to brag but we offer our customers an incredible choice of colours, finishes, designs, patterns, layouts, and upgrades – our custom camper combinations are probably infinite!

Quality workmanship

All our camper conversion work is undertaken by ourselves on site – we don't outsource any of it. That way we can guarantee the quality of our conversions and campers for sale, and confidently supply each vehicle with a 12-month conversion warranty.

Camper Van Conversions

We're here to turn your camper van dreams into reality!

1

Choose your
base vehicle

2

Choose your
layout

3

Choose your
extras

We can either convert your own van or we'll source a base van that meets your specific requirements. This includes colour, size, budget, and mileage, and then we'll work with you to select the right layout, roof, furniture, kitchen, beds, electrical items and accessories.

We specialise in VW camper conversions but convert all other makes and models too. We can source brand new or second-hand base vehicle models, depending on your budget. A typical campervan custom conversion takes around 4 weeks to complete.

Once we have sourced your base vehicle, you can then be as creative or as conservative as you want to be with your custom camper design. We work incredibly closely with our customers, making sure their very own bespoke camper conversion meets the needs of their individual lifestyles. We've created conversions that can accommodate dogs and their cages; designed beds that are custom made to fit the exact size of a particular customer; tailored furniture to accommodate a customer's disabilities; and incorporated emblems into headrests, in memory of a loved one. We'd like to think there's nothing we can't do with our campervan custom conversions!

Choosing your Campervan conversion layout

1

Choose your
base vehicle

2

Choose your
layout

3

Choose your
extras

A diverse range of well-thought out conversion layouts, each in a **short** or **long wheel-base option**, allows you to select the campervan conversion layout that's right for your lifestyle. So, whether you want more travelling seats, or more sleeping space, or more storage space, you can choose what's right for you.

THE CADDY

The image shows the interior of a motorhome. A bright blue rectangular table is positioned in the center. To the left, there is a light-colored quilted seat with a dark seatbelt. To the right, another similar quilted seat is visible. The background features a window with a view of trees and a built-in kitchen unit with a sink and a control panel. The overall lighting is warm and focused on the table area.

THE BLENHEIM

PRICED FROM £14,567.04 PLUS VAT

Upgraded features and extras can then be added to our standard specification for added comfort, luxury and enjoyment.

* All base vehicles are completely stripped out, insulated, sound proofed, and carpet lined in the customer's choice of Carpet. Price based on a standard SWB VW configuration.

Description

The most popular conversion layout on the market with a two-seater bed, plenty of storage, plus all the necessary equipment to include fridge, gas hob and sink, our Blenheim design is our most economical 2 or 4 berth family campervan layout.

Built from the very finest of materials and using the absolute best products, as standard, this campervan features a M1 tested front elevating roof, M1 tested 2-seater RIB Altair bed system, complete with furniture to include cupboards, lockers, draw and table for elegance and practicality.

Features, as standard

- M1 tested front elevating roof with manufacturer warranty
- Premium M1 tested 2-seater RIB Altair bed system, upholstered in VW trim
- Under bed storage
- Handcrafted furniture with extensive cupboards in the customer's choice of lightweight Vohringer & tambour doors
- Fold away table and safe storage solution
- Dometic CRX50 47ltr fridge
- Dometic 2 burner hob and sink
- One-piece flooring, insulation and choice of high-quality non-slip flooring
- All round privacy tinted glass inc. 2 openers
- Fitted black out curtains
- 240/12v charging system with 240v charger control panel
- LED lighting
- 12v and 240v sockets and 12v USB sockets
- Detachable water container and plumbed waste outlet
- Full habitation certificate (to BS EN 149:202)

THE BRIERYWOOD

PRICED FROM £15,103.21, PLUS VAT

Upgraded features and extras can then be added to our standard specification for added comfort, luxury and enjoyment.

* All base vehicles are completely stripped out, insulated, sound proofed, and carpet lined in the customer's choice of carpet. Price based on a standard SWB VW configuration.

**LWB
SHOWN**

Description

Our Brierywood camper conversion layout boasts a larger M1 tested 3-seater RIB Altair bed, as standard, designed in response to a growing demand for better sleeping space and 5 or 6 travelling seats.

The Brierywood has window views all round enhanced by slimline low-level furniture, this conversion layout sacrifices a small amount of storage space but provides a good balance of all the camping and day to day needs of a small family, whilst performing well as an everyday vehicle.

Features, as standard

- M1 tested front elevating roof with manufacturer warranty
- Premium M1 tested 3-seater RIB Altair bed system, upholstered in VW trim
- Under bed storage
- Handcrafted furniture with extensive cupboards in the customer's choice of lightweight Vohringer & tambour doors
- Fold away table and safe storage solution
- Dometic CRX50 47ltr fridge
- Dometic 1 or 2 burner hob and sink
- One-piece flooring, insulation and choice of high-quality non-slip flooring
- All round privacy tinted glass inc. 2 openers
- Fitted black out curtains
- 240/12v charging system with 240v charger control panel
- LED lighting
- 12v and 240v sockets and 12v USB sockets
- Under vehicle 24ltr water tank
- Full habitation certificate (to BS EN 149:202)

THE CRAGWOOD

The image shows the interior of a motorhome. On the left, there is a kitchen unit with a white sink and a light-colored countertop. To the right, there is a white leather seat with a black seatbelt. The walls are a light grey color, and there are windows with grey curtains. The floor is covered in blue carpeting. The overall aesthetic is modern and clean.

PRICED FROM £15,103.21, PLUS VAT

Upgraded features and extras can then be added to our standard specification for added comfort, luxury and enjoyment.

* All base vehicles are completely stripped out, insulated, sound proofed, and carpet lined in the customer's choice of carpet. Price based on a standard SWB VW configuration.

Description

Similar to our Brierywood, our Cragwood campervan conversion layout boast a larger M1 tested 3-seater RIB Altair bed, this is an ideal layout for those wanting extra seating space and a wider 129 bed.

With slimline furniture, this layout sacrifices a small amount of storage space but offers an easily accessible wardrobe, unlike in the Brierywood.

Features, as standard

- M1 tested front elevating roof with manufacturer warranty
- Premium M1 tested 3-seater RIB Altair bed system, upholstered in VW trim
- Under bed storage
- Handcrafted furniture with extensive cupboards in the customer's choice of lightweight Vohringer & tambour doors
- Fold away table and safe storage solution
- Dometic CRX50 47ltr fridge
- Dometic 1 or 2 burner hob and sink
- One-piece flooring, insulation and choice of high-quality non-slip flooring
- All round privacy tinted glass inc. 2 openers
- Fitted black out curtains
- 240/12v charging system with 240v charger control panel
- LED lighting
- 12v and 240v sockets and 12v USB sockets
- Under vehicle 24ltr water tank
- Full habitation certificate (to BS EN 149:202)

THE HARVINGTON

The image shows the interior of a motorhome, viewed from the rear hatch. The walls and cabinetry are finished with a light-colored wood-grain laminate. On the left side, there is a grey rectangular storage box mounted on the wall. The floor is covered in a grey carpet. In the background, the driver and passenger seats are visible, along with the front windshield showing a glimpse of the outdoors. The overall lighting is bright and even.

PRICED FROM £19,441.35 PLUS VAT

Upgraded features and extras can then be added to our standard specification for added comfort, luxury and enjoyment.

* All base vehicles are completely stripped out, insulated, sound proofed, and carpet lined in the customer's choice of carpet.

Description

Our Harvington camper conversion layout features a rear kitchen area, to offer a more flexible camping layout. There's even space for a fitted flush toilet!

For parents wanting their children to sit closer to them near to the front of the camper or for couples planning a lot of travelling, this campervan conversion layout makes for comfortable wild camping combined with great 'go anywhere' flexibility. With lots of storage space, this 4 or 5 seater, 2 or 4 berth family campervan boasts 2 single Neptune RIB M1 tested beds with slider and integrated headrests, as standard, whilst offering housing space for a porta potti or fixed flush toilet!

Features, as standard

- M1 tested rear elevating roof with manufacturer warranty
- 2 single Neptune RIB M1 tested beds, sliders and headrests, create 2 single beds or 1 double bed, upholstered in VW trim
- Porta potti housing unit
- Handcrafted furniture with extensive cupboards in the customer's choice of lightweight Vohringer & tambour doors
- Table, central pole and storage solution
- Dometic CRX50 47ltr fridge
- Dometic 2 burner hob and sink
- One-piece flooring, insulation and choice of high-quality non-slip flooring
- All round privacy tinted glass inc. 2 openers
- Fitted black out curtains
- 240/12v charging system with 240v charger control panel
- LED lighting
- 12v and 240v sockets and 12v USB sockets
- Under vehicle 24ltr water tank
- Full habitation certificate (to BS EN 149:202)

THE RUSKEMERE & ROTHAY DAY VANS

See
website
for more
details

PRICED FROM £7,551.42 PLUS VAT

The Ruskmere or Rothay day van campervan conversions are great 5 or 6 seater family vehicles.

Combining good storage and load area with a rear seat that turns into a full-width bed, to make this vehicle a good all-rounder for both work and play. Add a Fridge under the bed and this works perfectly for overnight camping stays. Rothay conversion includes kitchen pod.

THE CADDY

The image shows the interior of a converted VW Caddy. On the left is a kitchen unit with a white refrigerator and a sink. In the center is a white seat with a diamond-patterned backrest. To the right is a bed with a white mattress and a white headboard. The walls are white with a textured finish. There are windows with white blinds. The floor is a light-colored, speckled material. The overall lighting is bright and even.

PRICED FROM £11,759.85, PLUS VAT

The perfect micro-camper!

With three layout options available, we can either convert a VW Caddy Maxi Life and retain the factory rear travelling seats, provide a scaled down version of our Cragwood conversion with rock and roll bed system, or we can provide a scaled down version of our Blenheim conversion with RIB bed.
